**Latmedical, LLC** is an industry leader in the Marketing, Distribution and Supply of high-quality medical and family care products.

We are in the business of baby care, well-being, health improvement, and disease prevention by providing quality products and supplies to our patients through our brand portfolio.

Our business model has proven to be successful in our targeted regions, not only because we care, but also because we have developed P'QuackO.

At P'QuackO, Baby's and Parent's well-being is our commitment to excellence. We provide simple, yet original, solutions to satisfy Baby's needs and Parent's experience. Starting with your little newborn, P'QuackO will be with you at every step of the way.

At latmedical we are very proud of what we do, and thrive to deliver only the best to our families and customers.

**Your Well-being is our Commitment to Excellence.**
